As per University Regulation R10.05.015 (Dual Enrollment), the K-12 student registration process at the University of Alaska Fairbanks (UAF) requires K-12 students younger than 18 and their parent/guardians to sign this authorization for university enrollment. This authorization identi es some of the issues encountered by K-12 students, but should in no way be considered comprehensive. If the minority-age K-12 student is enrolling under a dual enrollment agreement between a K-12 institution and a University institution, some of the issues listed below may be superseded in part if there is an explicit provision in that agreement that overrides this authorization on a particular point.

Regents Policies and University Regulations are available at https://www.alaska.edu/bor/policy-regulations/.
