

Table Topics

Our goal for **Table Topics** is to share experiences, best practices, and discuss issues and/or challenges encountered in the day-to-day administration of sponsored projects. OGCA is here for your success.

Table Topics 30 minutes meetings will be offered every 2nd and 4th Thursday of the month based on the schedule below. The idea behind **Table Topics** is to have an informal time with no agenda where faculty, staff and students can drop in and have discussions, questions, information related research administration, specific projects or anything else.

Previously registered participants will get a zoom invite before every session.

If you want to participate in Table Topics and you are not previously registered, please send an email to uaf-ogca@alaska.edu with the subject: Table Topics Registration.

Information and/or questions for discussion can be emailed to: UAF-GCReATE@alaska.edu

January 27	11:30-12:00		April 28	11:30-12:00
February 10	11:30-12:00		May 12	11:30-12:00
