

Concern raised earlier over confidentiality of votes cast by members calling in to meetings but has been resolved by having members email their votes to Nichole.

5. Other:

- a. Safety training is done on some campuses and moving forward on most others. Appreciate the assistance of John Clendenin in sending reports and for offering training to supervisors. Questions on various campuses about whether to pay adjuncts for time spent in training outside classroom duties. Not resolved.
- b. Ashley Munro reported three nominations for Margaret "Peggy" Woods Outstanding Rural Campus Staff member. Her subcommittee is meeting at 2:00 April 6th to determine winner.
- c. Ashley also reported on Staff Appreciation Day on May 19th, and how she has worked to involve the rural campuses and provide some of the activities to those unable to come to Fairbanks for the event. Live streaming will be provided for
